ICE BALL INITIATIVE

ENJOY A TABLESIDE ICE EXPERIENCE

We use large format cubes made locally by Artisan Ice and melt them down, creating a perfect crystal-clear ball that's ideal for sipping your favorite whisk(e)y.

We donate a proceed of each sale to a partnering local non-profit organization doing on-the-ground work in our community.

OUR PICKS

IN GOOD SPIRITS

Our hand-picked, one-off collection of single barrel whiskies selected by In Good Spirits Beverage Director Kurtis Williams.

These bottles come from partner distilleries and are just for us at The Gladly & Citizen Public House. They represent unique expressions of the distillery's hallmark flavors. We chose our barrels based on a variety of factors like: proof, barrel age, mashbill, and rickhouse placement.

*Each barrel supplies us with approximately 250 bottles.
Once they're gone...they're gone.*

DID YOU KNOW?

The term 'proof' originated in the 16th Century when the English would soak gun pellets with alcohol and attempt to set them on fire in order to determine if the alcohol was proofed enough to be put in a higher tax bracket. It was a crude test that lent its name to the term we still use today.
